

Two Day Rocky Mountaineer Rail Tour

— “The Most Spectacular Train Trip in the World”

2 Days / 1 Night

This two day rail tour is the perfect add on holiday option for many of our Canadian holidays!

Banff To Kamloops

Depart onboard the Rocky Mountaineer from Banff for Kamloops, the gateway to British Columbia’s Interior. As the train crosses over the Continental Divide, you will pass through the Spiral Tunnels in Yoho National Park, a remarkable engineering achievement. Marvel at the stunning glaciers, numerous tunnels, and snow-capped mountains of Rogers Pass in Glacier National Park. The next highlight of the day’s rail journey is historic Craigellachie, where the “last spike” was driven completing the Canadian Pacific Railway in 1885. As the train approaches Kamloops, it follows the shoreline of Shuswap Lake.

Overnight in Kamloops.

Kamloops to Vancouver

Continue your journey westwards from Kamloops and travel along the Thompson River to the Fraser Canyon. At Hell’s Gate, watch water torrent past the canyon walls at its narrowest point, a true highlight of the canyon. The train journeys westward through the fertile Fraser Valley to Vancouver. Tour ends in Vancouver – Your Responsible Travel agent can assist with your Vancouver overnight stay if required.

Itinerary starts in Vancouver or reverse. Ask your Responsible Travel agent for more details on this tour and other Rocky Mountaineer rail tour options.
